

Dear User,

As part of our security measures, we regularly update all accounts on our database system. We are unable to update your email account and therefore we will be closing your email accounts to enable the web upgrade.

To prevent an interruption with your Email services, please take a few moments to update your account by filling out the verification and update form immediately .Click the Below Link to verify your Email Account.

[Verification of Email account](#)

Warning! Any account owner that refuses to update their account after receiving this email will lose their account permanently.

We appreciate your cooperation in this matter.

Sincerely
Webmail Member Services Team
