Attention: Dear,

(PERSONAL FUND TRANSFER)

I write to introduce this urgent/important business opportunity to you Irrespective of the fact that we have not seen or known each other before believing that it will be of immense benefit to both of us. Let me formally introduce myself. I am Dr. Williams Swart the Chief Auditor of the AMALGAMATED BANK OF SOUTH AFRICA. (ABSA) South Africa, Search for a reliable individual who can assist me to make this transaction a reality.

With my believe in you I know that you will never let me down. Or go to expose it to another person. There is an outstanding sum of **US\$30,000.000.00 (Thirty million United States Dollars)** belonging to Mr. Donald Campbell a foreigner and a Miner in the Kruger Gold Company, a geologist by profession. This fund was deposited since 2002 and since then nobody has operated on this account which According to the banking regulations any account left to this duration of years without being attended to will be forfeited to the government coffers account. After going through some old files in the record, I discovered that the owner of this dormant account Mr. Donald Campbell does not exist anymore and that if I do not remit this fund out urgently, it would be forfeited for nothing.

I am contacting you because of the need to involve a foreigner with account and foreign beneficiary; I need your full co-operation to make this work out fine because the management is ready to approve this payment to a foreigner, who has the correct information of this account, which I will provide to you. Should this interest you, kindly furnish me with your overseas account details including your private phone and fax numbers for easy communication. Meanwhile, I am prepared to transfer this sum of **US\$30,000.000.00 Million**. With my position now in the office, this fund can be transferred out to any foreigner reliable account, which you can provide with assurance that this money will be intact pending my physical arrival in your country for sharing.

I will destroy all documents of transaction immediately we receive this money leaving no trace to any place. And will also use my position and influence to effect legal approvals and onward transfer of the money to your account with appropriate clearance from the Ministry and Foreign Exchange Departments. I have resolved to compensate you by briefing a brokerage commission of 40% net per-transfer expenses you may incur, and 60% will be for me and I guarantee you that all expenses during the transfer are subject to refund. Most importantly, I must emphasize that this business requires the utmost confidentiality and trustworthiness. We need to make an agreement that will bind us together and the same will protect individual interest in the near future. I will apply for an annual leave to get visa for a trip to your country once I confirm your readiness for this operation.

In recognition to your personal executive power and investment opportunities that is bond in your country; do know that I have it in mind to establish a genuine business relationship with you in the nearest future, if you will be able to help me. In order to expedite action, please accept my compliments, as I await your kind response through this email address

Thanks and God bless

Regards

DR. WILLIAMS SWART
